Hinwick Road, Podington

CHRISTOPHER REEVES CHURCH OF ENGLAND V.A. PRIMARY SCHOOL PODINGTON

ADMISSION POLICY From September 2024

Christopher Reeves has a distinctive Christian ethos which lays at the heart of the School and provides an inclusive, caring and supportive environment where children learn and flourish in a setting shaped by our values.

Christopher Reeves aims to serve its community by providing an education of the highest quality within the context of its Christian values and practice. Through our teaching we equip children with the skills, knowledge and understanding necessary to be able to access their next stages in education and make informed choices about the important things in their future lives. We believe that appropriate teaching and learning experiences help children to lead happy and rewarding lives.

The school does not have any specific units or facilities for pupils with particular needs and there are no specific facilities for pupils with physical disabilities. The School is, however, on a level site and all the teaching accommodation is on one floor. All classrooms may be entered without steps. As far as possible, the school will ensure that pupils with disabilities have access to the same opportunities as other pupils. We invite you to come and visit us and see the scope of the environment we offer.

Admissions

The Governing Board is responsible for the admission of pupils to Christopher Reeves and admits 15 pupils to Reception Class during each academic year. This admission number has been agreed between the Governing Board and the Local Authority and applies to the year 2024.

Children will start school full time from the beginning of the Autumn Term. However if parents feel their child is not ready to start full-time school at this time, they can request:

- a)** that the date their child is admitted to school is deferred until later in the academic year but not beyond the point at which the child reaches compulsory school age, and/or
- b)** that their child takes up the place part-time until the child reaches compulsory school age

Where a parent of a 'summer-born' child (1 April – 31 August) wishes, they may choose not to send the child to school until the September following their fifth birthday (when the child has reached compulsory school age). However, if parents do not take up the offered place by the start of the summer term of the Reception year, then they would have to make a new in-year application for a place in Year 1.

If parents wish such a child to start school in September 2025 and to be educated “out-of year group” i.e. in the Reception Year rather than Y1 they should discuss it with the school as soon as possible, before making a formal application to the governors. Such applications will be considered on a case by case basis. Each case will be judged on its individual merits and in the best interests of the child, but to admit out of year group would require exceptional and extenuating circumstances and professional evidence, if available, explaining why the child’s needs cannot be met in the chronological year group.

If the governors accept the out of year group education request, a new application would need to be made in the following year’s main admissions round for Reception, when this application will be considered alongside all other applications. Parents do not have the right of appeal against a decision not to accept this request.

Requests for education out of year group (other than summer-born reception deferral applications)

Parents are encouraged to discuss the child’s individual needs with the Executive -Headteacher before making a formal request in writing to the Governors, who will make a decision on the basis of the individual circumstances of the case and in the best interest of the child, taking account of the views of the Executive- Headteacher. Applications must be accompanied by evidence which clearly demonstrates why the child must be educated out of year group. There is no right of appeal where a child is offered a place at the school but not in the desired year group.

The Governors are required to admit a pupil with an Education, Health and Care plan which names the school. Pupils identified for admission through the Fair Access Protocol will be admitted before others on the waiting list even if the school is full.

In the event of there being more applicants than there are places available, the Governors will apply the following criteria in the priority order of categories as listed.

Category 1:

Looked After Children and all Previously Looked After Children, including those who appear (to the admissions authority) to have been in state care outside England and ceased to be in state care as a result of being adopted LAC : PLAC : IAPLAC. (See Definitions)

Category 2:

Children, who at the time of entry live within the Ecclesiastical Parish of Podington with Farndish (which includes the villages of Hinwick, Podington and Farndish), and who have siblings attending the school at the time of admission. The website www.achurchnearyou.com is helpful in verifying parish of residence.

Category 3:

Children, who at the time of entry are living in the catchment area of Podington, Hinwick and Farndish.

Category 4:

Children who have siblings in the school at the time of admission. For the purpose of this policy siblings are children permanently residing at the same address (see definitions).

Category 5:

Children living outside the area as defined in Category 2 and 3, one or more of whose parents/guardians, at the time of application, have attended a Christian Church at least once a month for the six months preceding the date of the submission of application to the school. Christian Church means a church which is a member of Churches Together in Britain and Ireland and/or the Evangelical Alliance. The signature of the priest or minister is required on the relevant section on the LA application form.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

Category 6:

Children of staff who work at Christopher Reeves Church of England Primary School – see definition.

Category 7:

Children in receipt of Pupil Premium – see definition.

Category 8:

Any other children.

If applying these criteria results in there being more children with an equal right to admission to the school than the number of available places, the tie break will be the distance the pupil lives from the school measured in a straight line using the Local Authority's computerised mapping system, with those living closer to the school receiving the higher priority. The distance will be measured from the address point of the pupil's home to the school gates on Hinwick Road. Where two addresses measure the same distance from the school and a final tie-break is needed, the place will be allocated by means of an independently-supervised, random draw.

Each oversubscription criterion operates independently .

Home Address

A pupil's home address will be regarded as the address of the parent / carer with parental responsibility with whom the child normally lives. This will not usually include grandparents, aunts or uncles. Where a child spends time with parents / carers at more than one address, the address used to allocate a school place will be the one at which the child spends the majority of the school week (Mondays to Fridays) including nights. If there is any query on the home address this will be checked against original official documentation e.g. council tax bill, a recent utility bill (gas, electricity or water), a rental agreement, child benefit annual statement or family tax credit information.

Procedures

- Applications for admission to the school are in accordance with the Local Authority's co-ordinated admission arrangements. Parents can apply online to the Local Authority in

which they live or obtain an application form from their Local Authority. Application forms for Bedford Borough residents are available from the school.

- The Governors are responsible for admissions. Parents should apply for a place at the school in accordance with the Local Authority's co-ordinated admission arrangements but admission decisions will be taken by the Governors.
- Children are invited to make introductory visits to the school during the term before entrance.
- The Governors rightly expect that parents given a place for their child under the Church Membership category will still satisfy the requirements of that category at the time of admission.
- Parents are reminded that there are occasionally slight changes to admissions policies and should make sure they have the most recent edition.

Appeals

Parents who have been refused a place for their child have a right to appeal to an independent panel. The LA will explain the procedure to you if this situation arises.

Waiting List

In the event of more applications than available places, the governors will maintain a waiting list. These and late applications will go onto this list in a position determined by the criteria. The waiting list will be re-ranked every time a child's name is added to or removed from the list. If a place becomes available in the school it will be offered in accordance with the waiting list priority. Waiting lists for the normal year of entry will be maintained until the 31st December. Parents wishing their child to remain on the waiting list until the end of the academic year are requested to inform the governors.

Please note that a repeat application within the same academic year will not be considered (by the Governors) unless there has been a significant change in circumstances.

Twins and Multiple births

Where the last available place is offered to a twin or multiple birth sibling the other twin or sibling will be admitted as an exception to the infant class size rule.

In-Year Admissions

Requests for admission into other year groups should be made on the In-Year application form. The form is available from the school or Local Authority and can also be downloaded from the Local Authority website. The form must then be submitted to the Local Authority.

For the purposes of satisfying these criteria, a member of staff is defined as a member of the:

- full-time teaching staff, or of the part-time teaching staff who work 50% and above of the school week

Pupil Premium

Pupil premium here means the Pupil Premium, the Early Years Pupil Premium and/or the Service Premium. Parents applying under this category will be asked to provide written consent for the school to contact the local authority and/or the child's current education setting in order to establish the child's eligibility for the relevant premium.
